

SENATOR STAHMER: Mr. President, members of the body, very quickly these amendments were adopted by the fiscal staff to make the wording of the bill carry out the intention of Senator Carpenter and the committee, I move then for the adoption of this corrected wording.

SPEAKER: Motion has been made, is that LB983 Senator?

CLERK: Yes.

SPEAKER: Motion has been made to adopt the Stahmer amendment, is there any further discussion? If not, are you ready for the question? All those in favor of adopting the Stahmer amendment vote aye, those opposed vote no. This requires 25 votes.

SENATOR STAHMER: I hear people asking what the amendment is, again it is corrective to help explain just exactly what was intended and it was drafted by the fiscal staff so the fiscal intent would be clearly spelled out in these two bills. So with a little confusion and I think this would correct it.

SPEAKER: Clerk will record.

CLERK: 31 ayes, 0 nays Mr. Speaker.

SPEAKER: Now what will you do with the bill?

SENATOR STAHMER: Now I move to have it advanced to E & R Engrossing.

SPEAKER: All those in favor of advancing the bill say aye, those opposed say no. Bill is advanced.

CLERK: Read 983A.

SENATOR STAHMER: Yes, this again is the same thing. These two bills were a pair and it does not change the money amount it just makes the wording clear. I move this bill back to select file for that specific amendment.

SPEAKER: Senator Marsh, you have your light on. Alright, all those in favor of adopting the amendment vote aye, those opposed vote no.
